

Medical examination report
Vision assessment

To be filled in by an optician, optometrist or doctor

1. Please confirm (✓) the scale you are using to express the applicant's visual acuities.

Snellen Snellen expressed as a decimal LogMAR

2. The visual acuity standard for Group 2 driving is at least 6/7.5 in one eye and at least 6/60 in the other.

(a) Please provide uncorrected visual acuities for each eye. Snellen readings with a plus (+) or minus (-) are not acceptable. If 6/7.5, 6/60 standard is not met, the applicant may need further assessment by an optician.

R L Yes No

(b) Are corrective lenses worn for driving? Yes No

If no, go to Q3.

If yes, please provide the visual acuities using the correction worn for driving. Snellen readings with a plus (+) or minus (-) are not acceptable. If 6/7.5, 6/60 standard is not met, the applicant may need further assessment by an optician.

R L

(c) What kind of corrective lenses are worn to meet this standard?

Glasses Contact lenses Both together

(d) If glasses are worn for driving, is the corrective power greater than plus (+)8 dioptres in any meridian of either lens? Yes No

(e) If correction is worn for driving, is it well tolerated? Yes No

If no, please give full details in Q8.

3. Is there a known visual field defect? Yes No

4. Are there any medical conditions which might result in a visual field defect? Yes No

(a) If yes, has a visual field defect been excluded? Yes No

(b) Please provide the condition:

If formal visual field testing is considered necessary, DVLA will commission this at a later date.

5. Is there diplopia? Yes No

(a) Is it controlled? Yes No

Please indicate below and give full details in Q8.

Patch or glasses with frosted glass Glasses with/without prism Other (if other please provide details)

6. Does the applicant report symptoms of any of the following that impairs their ability to drive? Yes No

Please indicate below and give full details in Q8 below.

- (a) Intolerance to glare (causing incapacity rather than discomfort) and/or
- (b) Impaired contrast sensitivity and/or
- (c) Impaired twilight vision

7. Does the applicant have any other ophthalmic condition affecting their visual acuity or visual field? Yes No

If yes, please give full details in Q8 below.

8. Details or additional information

Name of examining doctor, optician or optometrist undertaking vision assessment

I confirm that this report was filled in by me at examination and the applicant's history has been taken into consideration.

Signature of examining doctor, optician or optometrist

Date of signature

Please provide your GOC or GMC number

Doctor, optometrist or optician's stamp

Applicant's full name

Date of birth

Please do not detach this page

3 Cardiac

a Coronary artery disease

Is there a history or evidence of coronary artery disease? Yes No

If no, go to section 3b, Cardiac arrhythmia

If yes, please answer all questions below.

1. Has the applicant ever had an episode of angina? Yes No

If yes, please give the date of the last known attack.

2. Acute coronary syndrome including myocardial infarction? Yes No

If yes, please give date.

3. Coronary angioplasty (PCI)? Yes No

If yes, please give date of most recent intervention.

4. Coronary artery bypass graft surgery? Yes No

If yes, please give date.

5. If yes to any of the above, are there any physical health problems or disabilities (e.g. mobility, arthritis or COPD) that would make the applicant unable to undertake 9 minutes of the standard Bruce Protocol ETT? Please give details below. Yes No

b Cardiac arrhythmia

Is there a history or evidence of cardiac arrhythmia? Yes No

If no, go to section 3c, Peripheral arterial disease

If yes, please answer all questions below.

1. Has there been a significant disturbance of cardiac rhythm causing/likely to cause incapacity in the last 5 years? Yes No

2. Has the arrhythmia been controlled satisfactorily for at least 3 months? Yes No

3. Has an ICD (Implanted Cardiac Defibrillator) or biventricular pacemaker with defibrillator/ cardiac resynchronisation therapy defibrillator (CRT-D type) been implanted? Yes No

4. Has a pacemaker or a biventricular pacemaker/ cardiac resynchronisation therapy pacemaker (CRT-P type) been implanted? Yes No

If yes:

(a) Please give date of implantation.

(b) Is the applicant free of the symptoms that caused the device to be fitted?

(c) Does the applicant attend a pacemaker clinic regularly?

c Peripheral arterial disease (excluding Buerger's disease) aortic aneurysm/dissection

Is there a history or evidence of peripheral arterial disease (excluding Buerger's disease), aortic aneurysm or dissection? Yes No

If no, go to section 3d, Valvular/congenital heart disease

If yes, please answer all questions below.

1. Peripheral arterial disease? (excluding Buerger's disease) Yes No

2. Does the applicant have claudication? Yes No

 If yes, would the applicant be able to undertake 9 minutes of the standard Bruce Protocol ETT?

3. Aortic aneurysm? Yes No
 If yes:

(a) Site of aneurysm: Thoracic
 Abdominal

(b) Has it been repaired successfully?

(c) Please provide latest transverse aortic diameter measurement and date obtained using measurement and date boxes.

cm

4. (a) Dissection of aorta? Yes No

(b) If yes, has the dissection been successfully repaired?

If yes to 4a, please provide copies of all reports including those dealing with any surgical treatment.

5. Is there a history of Marfan's disease? Yes No

(a) If yes, are there any associated risk factors*?

*risk factors include –

- family history of aortic dissection
- greater than 3mm per year increase than aneurysm diameter
- pregnancy

d Valvular/congenital heart disease

Is there a history or evidence of valvular or congenital heart disease? Yes No

If no, go to section 3e, Cardiac other

If yes, please answer all questions below.

1. Is there a history of congenital heart disease? Yes No

2. Is there a history of heart valve disease? Yes No

(a) If yes, are they symptomatic?

3. Is there a history of aortic stenosis? Yes No
 If yes, please provide relevant reports (including echocardiogram).

4. Has there been any progression (either clinically or on scans etc) since the last licence application? Yes No

Applicant's full name

Date of birth

e Cardiac other

Is there a history or evidence of heart failure? Yes No

If no, go to section 3f, Cardiac channelopathies

If yes, please answer all questions below.

1. Please provide the NYHA class, if known.

2. Established cardiomyopathy? Yes No
If yes, please give details in section 9, page 6.

3. Has a left ventricular assist device (LVAD) or other cardiac assist device been implanted? Yes No

4. A heart or heart/lung transplant? Yes No

5. Evidence or history of pulmonary arterial hypertension? Yes No

f Cardiac channelopathies

Is there a history or evidence of the following conditions? Yes No

If no, go to section 3g, Blood pressure

1. Brugada syndrome? Yes No

2. Long QT syndrome? Yes No
If yes to either, please give details in section 9, page 6.

g Blood pressure

All questions must be answered.

If resting blood pressure is 180 mm/Hg systolic or more and/or 100mm/Hg diastolic or more, please take a further 2 readings at least 5 minutes apart and record the best of the 3 readings in the box provided.

1. Please record today's best resting blood pressure reading. /

2. Is the applicant on anti-hypertensive treatment? Yes No
If yes, please provide three previous readings with dates if available.

<input type="text"/> / <input type="text"/>	<input type="checkbox"/>								
<input type="text"/> / <input type="text"/>	<input type="checkbox"/>								
<input type="text"/> / <input type="text"/>	<input type="checkbox"/>								

h Cardiac investigations

Have any cardiac investigations been undertaken or planned? Yes No

If no, go to section 4, Psychiatric illness

If yes, please answer questions 1 to 5.

1. Is there a history of the following: Yes No

(a) left bundle branch block (LBBB)?

(b) right bundle branch block (RBBB)?

(c) paced rhythm?

If yes to (a), (b) or (c), please give details in section 9, page 6.

Note: If yes to questions 2 to 5, please give dates in the boxes provided, give details in section 9, page 6.

2. Has an exercise ECG been undertaken (or planned)? Yes No

3. Has an echocardiogram been undertaken (or planned)? Yes No

(a) If undertaken, is or was the left ejection fraction greater than or equal to 40%?

4. Has a coronary angiogram been undertaken (or planned)? Yes No

5. Has a myocardial perfusion scan, stress echo study or cardiac MRI been undertaken (or planned)? Yes No

4 Psychiatric illness

Is there any significant mental illness or cognitive impairment likely to affect safe driving? Yes No

If no, go to section 5, Substance misuse

If yes, please answer all questions below.

1. Significant psychiatric disorder within the past 6 months? If yes, please confirm condition. Yes No

2. Psychosis or hypomania/mania within the past 12 months, including psychotic depression? Yes No

3. (a) Dementia or cognitive impairment? Yes No
(b) Are there concerns which have resulted in ongoing investigations for such possible diagnoses?

5 Substance misuse

Is there a history of drug/alcohol misuse or dependence? Yes No

If no, go to section 6, Sleep disorders

If yes, please answer all questions below.

1. Is there a history of an alcohol use disorder (sufficient to cause significant physical, mental or social consequences) in the past 10 years? Yes No

2. If there is a history of an alcohol use disorder, has this been associated with any of the following features which indicate a physiological dependence on alcohol: Yes No

(a) Required medical assisted withdrawal?
Date treatment ended:

(b) Alcohol withdrawal seizure?
Date of last event:

3. Based on their clinical record and/or account of drinking provided to you, is their alcohol consumption: Yes No Don't know

(a) Abstinent? Yes No Don't know
If yes, for how long:

(b) Controlled? Yes No Don't know
If yes, for how long:

4. Use of illegal drugs or other substances, or misuse of prescription medication in the last 6 years? Yes No

(a) If yes, the type of substance misused?

(b) Is it controlled?

(c) Has the applicant undertaken an opiate treatment programme?
If yes, give date started

Applicant's full name

Date of birth

6 Sleep disorders

1. Is there a history or evidence of Obstructive Sleep Apnoea Syndrome or any other medical condition causing excessive sleepiness? Yes No

If no, go to section 7, Other medical conditions.

If yes, please give diagnosis and answer all questions below.

- a) If Obstructive Sleep Apnoea Syndrome, please indicate the severity:

Mild (AHI <15)

Moderate (AHI 15 - 29)

Severe (AHI >29)

Not known

If another measurement other than AHI is used, it must be one that is recognised in clinical practice as equivalent to AHI. DVLA does not prescribe different measurements as this is a clinical issue. Please give details in section 9 page 6, Further details.

- b) Please answer questions (i) to (iv) for **all** sleep conditions.

(i) Date of diagnosis: Yes No

(ii) Is it controlled successfully?

(iii) Is applicant compliant with treatment?

(iv) Date of last review.

7 Other medical conditions

1. Is there a history or evidence of narcolepsy? Yes No

2. Is there any impairment resulting from either a physical or non-physical medical condition which is likely to affect the ability to control a vehicle? Yes No

If yes, please provide information in section 9, page 6.

3. Is there a history of bronchogenic carcinoma or other malignant tumour with a significant liability to metastasise cerebrally? Yes No

4. Is there any illness that may cause significant fatigue or cachexia that affects safe driving? Yes No

5. Does the applicant have a history of liver disease of any origin? Yes No
If yes, is this the result of alcohol misuse?
If yes, please give details in section 9, page 6.

6. Is there a history of renal failure? Yes No
If yes, please give details in section 9, page 6.

7. Does the applicant have severe symptomatic respiratory disease causing chronic hypoxia? Yes No

8. Does the applicant have any other medical condition that could affect safe driving? Yes No
If yes, please provide details in section 9, page 6.

8 Medication

Is the applicant currently prescribed any of the following medication:

- | | | |
|---------------------------------|--------------------------|--------------------------|
| | Yes | No |
| (a) Anti-seizure? | <input type="checkbox"/> | <input type="checkbox"/> |
| (b) Clozapine? | <input type="checkbox"/> | <input type="checkbox"/> |
| (c) Sulphonylurea or a Glinide? | <input type="checkbox"/> | <input type="checkbox"/> |
| (d) Insulin? | <input type="checkbox"/> | <input type="checkbox"/> |

8a Medication list

Please provide details of all current medication including eye drops (continue on a separate sheet if necessary).

Applicant's full name

Date of birth

The applicant must fill in this page

Applicant's declaration

You **must** fill in this section and **must not** alter it in any way.

Please read the following important information carefully then sign to confirm the statements below.

Important information about fitness to drive

As part of the enquiries into your fitness to drive, we (EEBC) may need you to have a medical examination and/or some form of practical assessment. If we do, the individuals involved in these will need your background medical details to carry out an appropriate assessment.

These individuals may include doctors, orthoptists at eye clinics or paramedical staff at a driving assessment centre. We will only share information relevant to the medical assessment of your fitness to drive.

Also, where the circumstances of your case appear to suggest the need for this, the relevant medical information may need to be considered by the Council's medical advisor, who conforms strictly to the principle of confidentiality

Declaration

I authorise my doctor, specialist or appropriate healthcare professional to disclose medical information or reports about my health condition to the Epsom & Ewell Borough Council (EEBC) licensing department that is relevant to my fitness to drive.

I understand that the doctor that I authorise, may pass this authorisation to another registered healthcare professional, who will be able to provide information about my medical condition that is relevant to my fitness to drive.

I understand that Epsom & Ewell BC may disclose such relevant medical information as is necessary to the investigation of my fitness to drive to doctors and other healthcare professionals such as orthoptists, paramedical staff and the Council's medical advisor.

I declare that I have checked the details I have given on the enclosed questionnaire and that, to the best of my knowledge and belief they are correct.

I understand that it is a criminal offence if I make a false declaration to obtain a driving licence and can lead to prosecution.

Name

Signature

Date

Checklist

- Have you signed and dated the declaration? **Yes**
- Have you checked that the optician, optometrist or doctor has filled in all parts of the report and all relevant hospital notes have been enclosed? **Yes**

Important

This report is valid for 4 months from the date the doctor, optician or optometrist signs it.

Please return it together with your application form.

Confidential medical information

Declaration for drivers with Diabetes for Group 2 licensing

If you are unsure of any answers we advise you to discuss this form with your Doctor.

Do not send your blood glucose memory meter to the licensing authority.

1. Please confirm your diabetes is treated with insulin and give the date the treatment started:

My diabetes is treated with insulin: **Yes** **No** Date the treatment started: **Month** **Year**

2. Please tell us the type of diabetes you have: **Type 1** **Type 2** **Other**

If "other", please specify: _____

3. a) Do you use a memory meter to check your blood glucose (sugar) levels? **Yes** **No**

You must ensure you have a meter(s) with sufficient memory to store 3 continuous months blood glucose (sugar) readings. You must also ensure the date and time are set correctly on the meter(s)

b) If Yes, do you have the last 3 continuous months of blood glucose (sugar) readings, taken while on insulin and stored on a memory meter(s)?

If No, please tell us why: _____

4. a) Have you had a hypoglycaemic episode? **Yes** **No**

It would be expected that most patients on insulin will have experienced hypoglycaemia at some time. This will not necessarily stop you holding a Group 2 (lorry / bus) licence. It is recommended that after treating an episode of hypoglycaemia you should re-test blood glucose (sugar) and wait for 45 minutes after your blood glucose (sugar) returns to normal. It is also recommended that you keep a diary detailing the circumstances and symptoms of the hypoglycaemic episodes below 3 mmol/l to help discussion with the assessors

b) If Yes, were other people aware of the symptoms before you?

5. a) Do you check your blood glucose (sugar) at least twice daily?

b) Do you check your blood glucose (sugar) levels no more than 2 hours before the start of the first journey and every 2 hours while driving ?

If driving multiple short journeys such as a delivery driver, it would be appropriate to measure blood glucose no more than 2 hours before the start of the first journey and then every 2 hours while driving. It is not necessary to test before each individual journey.

6. How often do you have episodes of low blood glucose (sugar) i.e. less than 4 mmol/l?

a) at least once a day b) 1 – 6 times a week

c) 1 –3 times a month d) once a month

e) 1 –11 times a year f) less than once a year

NAME:	DOB:	BADGE NUMBER:
-------	------	---------------

7. Have you had an episode of severe hypoglycaemia in the last 12 months? Yes No

*Severe hypoglycaemia is defined as **requiring** the assistance of another person.
DO NOT count episodes where you were given help but could have helped yourself.*

If Yes, please give the dates of the last 3 episodes:

Day	Month	Year	Day	Month	Year	Day	Month	Year

8. When you develop hypoglycaemia (low blood sugar) during waking hours, please circle the appropriate box below to indicate how aware you are of the onset? **(Please see attached information page)**
Do not answer this question if not applicable

Always aware	1	2	3	4	5	6	7	Never aware
--------------	----------	----------	----------	----------	----------	----------	----------	-------------

9. Do you keep fast acting carbohydrate within easy reach when driving? Yes No
For example a glucose drink, tablets or sweets.

10. a) Do you need to drive a vehicle fitted with special controls or automatic transmission for Group 1 vehicles? *(Cars and Motorcycles)*

b) Do you need to drive a vehicle fitted with special controls or automatic transmission for Group 2 vehicles? *(Bus, Lorry, Medium sized vehicles over 3500kg and Minibus)*

11. a) Can you read a number plate from 20 metres in good light with glasses or contact lenses if worn?

b) Has your doctor or optician advised you that your eyesight **does not currently** meet the minimum standards for driving?
A visual acuity of 6/12 (decimal 0.5) or better must be achieved with the aid of glasses or contact lenses if necessary.

c) Do you need to wear glasses or contact lenses to meet the minimum eyesight standard when you drive cars or motorcycles?

d) Has your doctor or optician advised you that your eyesight **does not currently** meet the minimum standards for vocational driving?
Visual acuity of at least 6/7.5 (0.8) in the better eye and 6/60 (0.1) in the other eye must be achieved with the aid of glasses or contact lenses if necessary.

e) Do you need to wear glasses or contact lenses to meet the legal eyesight standard to drive a bus or lorry?

12. a) Do you have total loss of sight in one eye?

b) If Yes, please supply the date of loss. Month Year

NAME:	DOB:	BADGE NUMBER:
-------	------	---------------

13. Do you have any of the conditions below affecting either eye?

Yes

No

If Yes, please tick the appropriate box indicating which eye is affected?

Left Eye

Right Eye

a) Do you currently have cataracts?

b) Have you had laser treatment or injections for diabetic eye disease?

c) Please give the date you last had laser treatment:

Day

Month

Year

--	--	--

14. Please give the date you last consulted your GP or Consultant about your diabetes:

Day

YOU MUST NOW READ, SIGN & DATE THE DECLARATION BELOW

Declaration to be signed by **ALL** applicants who have **insulin** treated diabetes

I declare I will:

- comply with the directions of the doctors treating my diabetes
- report immediately to Epsom & Ewell Borough Council any significant change in my condition
- provide evidence on request that I regularly monitor my condition and in particular undertake blood glucose (sugar) monitoring, using a glucose meter with a memory function, at least twice daily and at times relevant to driving (no more than 2 hours before the start of the **first journey and every 2 hours while driving Group 2 vehicles**). The meter(s) must be available for inspection.
- keep fast acting carbohydrate within easy reach when driving.

I also understand the need to test my blood glucose (sugar) at times relevant to driving (no more than 2 hours before the start of the **first journey and every 2 hours while driving**).

Signature: _____

Date: _____

NAME:

DOB:

BADGE NUMBER:

EARLY SYMPTOMS OF HYPOGLYCAEMIA INCLUDE:

- Sweating, shakiness or trembling, feeling hungry, fast pulse or palpitations, anxiety, tingling lips.
- If you don't treat this it may result in more severe symptoms such as:
Slurred speech, difficulty concentrating, confusion, disorderly or irrational behaviour, which may be mistaken for drunkenness.
- If left untreated this may lead to unconsciousness.

DRIVERS WITH INSULIN TREATED DIABETES ARE ADVISED TO TAKE THE FOLLOWING PRECAUTIONS .

- You must **always** carry your glucose meter and blood glucose strips with you. You must check your blood glucose before driving and every two hours whilst you are driving.
- In each case if your blood glucose is **5.0mmol/l or less, take a snack**. If it is less than **4.0mmol/l or you feel hypoglycaemic do not drive**.
- If hypoglycaemia develops while driving stop the vehicle safely as soon as possible.
- You must switch off the engine, remove the keys from the ignition and move from the driver's seat.
- You must not start driving again until 45 minutes after blood glucose has returned to normal. It takes up to 45 minutes for the brain to recover fully.
- Always keep an emergency supply of fast-acting carbohydrate such as glucose tablets or sweets within easy reach in the vehicle.
- You should carry personal identification to show that you have diabetes in case of injury in a road traffic accident.
- Particular care should be taken during changes of insulin regimens, changes of lifestyle, exercise, travel and pregnancy.
- You must take regular meals, snacks and rest periods on long journeys. Always avoid alcohol.

Applicants declaration

You **must** fill in this section and must **not** alter it in any way. Please read the following information carefully and sign to confirm the statements below.

Important information about fitness to drive

- As part of the investigation into your fitness to drive, we (Epsom & Ewell Borough Council) may require you to have a medical examination and/or some form of practical assessment. If we do, the individuals involved in these will need your background medical details to carry out an appropriate assessment.
- These individuals may include doctors, orthoptists at eye clinics or paramedical staff at a driving assessment centre. We will only release information relevant to the medical assessment of your fitness.
- Also, where the circumstances of your case appear to suggest the need for this, the relevant medical information may need to be considered by one or more of the members of the Secretary of State's Honorary Medical Advisory Panels. The membership of these Panels conforms strictly to the principle of confidentiality.

All data held by Epsom and Ewell Borough Council is used for internal evaluation of the quality of our services.

This section must NOT be altered in any way.

Declaration

I authorise my Doctor(s) and Specialist(s) to release reports/medical information about my condition relevant to my fitness to drive, to the Council's medical adviser.

I understand that the Council's medical adviser may disclose such relevant medical information as is necessary to the investigation of my fitness to drive to doctors, orthoptists, paramedical staff and panel members.

I declare that I have checked the details I have given on the enclosed questionnaire and that, to the best of my knowledge and belief they are correct.

I understand that it is a criminal offence if I make a false declaration to obtain a driving licence and can lead to prosecution.

Name: _____

Signature: _____ Date: _____

I authorise the Council's medical adviser to:

Inform my Doctor(s) of the outcome of my case Yes No

Release my medical information, and any other relevant information, to my doctor(s) by postal or electronic (fax or email) channels Yes No

NAME:	DOB:	BADGE NUMBER:
-------	------	---------------

Note:

Please fill in and return all pages (1-6) of this medical questionnaire and consent/declaration.

If you do not give us all the information we need including the full name, address and telephone number of your GP/Consultant then there will be a delay with your case.

Please use the contact details below to return your filled in medical questionnaire to the Drivers Medical Group.
