1.0 Introduction

From 1 April 2013, council tax support in the form of council tax benefit was abolished by Central Government. It is the duty of each local authority in England to have a localised council tax support scheme, in the form of a council tax reduction. The Government has said that local authorities must protect pensioners at the same level of support as the council tax benefit scheme and has prescribed a national local scheme for pensioners that provide the same outcomes as council tax benefit. This document sets out the council tax reduction scheme for pensioners; the scheme for persons who are not pensioners is to be found in The Epsom & Ewell Borough Council (Council Tax Reduction Scheme) (Persons who are not Pensioners) 2025.

(2) Subject to sub-paragraph (3), where an applicant is jointly and severally liable for council tax in respect of a dwelling in which he is resident with one or more other persons, in determining the alternative maximum council tax reduction in his case, the amount determined in accordance with Schedule 3 must be divided by the number of persons who are jointly and severally liable for that tax.

(3) Where an applicant is jointly and severally liable for council tax in respect of a dwelling with only his partner, solely by virtue of section 9 of the 1992 Act (liability of spouses and civil partners), sub-paragraph (2) does not apply in his case.

PART 5 - Amount of reduction under the authority's scheme

10. Amount of reduction under a scheme: classes A to C

(1) Where a person is entitled to a reduction under an authority's scheme in respect of a day, the amount of the reduction to which he is entitled is as follows.

(2) Where the person is within class A, that amount is the maximum council tax reduction amount in respect of the day in the applicant's case.

(4) Where the person is within class C, that amount is the amount which is the alternative maximum council tax reduction in respect of the day in the applicant's case.

CHAPTER 1 - General

11. Calculation of income and capital: applicant's family and polygamous marriages

(1) The income and capital of—

(a) an applicant; and

(b) any partner of that applicant,

is to be calculated in accordance with the provisions of this Part.

(2) The income and capital of any partner of the applicant is to be treated as income and capital of the applicant, and in this Part any reference to the applicant applies equally to any partner of the applicant.

(3) Where an applicant or the partner of an applicant is married polygamously to two or more members of his household—

(a) the applicant must be treated as possessing capital and income belonging to each such member; and

(b) the income and capital of that member must be calculated in accordance with the following provisions of this Part in like manner as for the applicant.

12. Circumstances in which income and capital of non-dependant is to be treated as applicant's

(1) Sub-paragraph (2) applies where it appears to an authority that a non-dependant and an applicant have entered into arrangements in order to take advantage of the authority's scheme and the non-dependant has more income and capital than the applicant.

(2) Except where the applicant is on a guarantee credit the authority must treat the applicant as possessing income and capital belonging to that non-dependant and, in such a case, any income and capital which the applicant does possess must be disregarded.

(3) Where an applicant is treated as possessing income and capital belonging to a non-dependant under sub-paragraph (2) the income and capital of that non-dependant must be calculated in accordance with the following provisions of this Part in like manner as for the applicant and, except where the context otherwise requires, any reference to the "applicant" is to be construed for the purposes of this Part as if it were a reference to that non-dependant.

CHAPTER 2 - Income

13. Applicant in receipt of guarantee credit

In the case of an applicant who is in receipt, or whose partner is in receipt, of a guarantee credit, the whole of his capital and income must be disregarded.

14. Calculation of applicant's income in savings credit only cases

(1) In determining the income and capital of an applicant who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, an authority must use the calculation or estimate of the applicant's or as the case may be, the applicant's partner's income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

(2) Where the calculation or estimate provided by the Secretary of State includes the amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

(a) the amount of any savings credit payable;

(b) in respect of any dependent children of the applicant, child care charges taken into account under paragraph 24(1)(c) (calculation of income on a weekly basis);

(c) the higher amount disregarded under this Schedule in respect of—

(i) lone parent's earnings; or

(ii) payments of maintenance, whether under a court order or not, which are made or due to be made by—

(aa) the applicant's former partner, or the applicant's partner's former partner; or

(d) any amount to be disregarded by virtue of paragraph 10(1) of Schedule 4 (sums disregarded from earnings);

(e) the income and capital of any partner of the applicant who is treated as a member of the applicant's household under regulation 8, to the extent that it is not taken into account in determining the net income of the person claiming state pension credit;

(f) paragraph 12 (circumstances in which income of a non-dependant is to be treated as applicant's), if the authority determines that that provision applies in the applicant's case;

(g) such further reduction (if any) as the authority thinks fit under section 13A(1)(c) of the 1992 Act;

(h) any amount to be disregarded by virtue of paragraph 6 of Schedule 4.

(3) Paragraphs 16 to 29 of this Schedule do not apply to the amount of the net income to be taken into account under sub-paragraph (1), but do apply (so far as relevant) for the purpose of determining any adjustments to that amount which the authority makes under sub-paragraph (2).

(4) If sub-paragraph (5) applies, the authority will calculate the applicant's capital in accordance with paragraphs 31 and 36 of this Schedule.

(5) This sub-paragraph applies if—

(a) the Secretary of State notifies the authority that the applicant's capital has been determined as being £16,000 or less or the authority determines his capital as being £16,000 or less;

(b) subsequent to that determination the applicant's capital rises to more than £16,000; and

(c) the increase occurs whilst there is in force an assessed income period within the meaning of sections 6 and 9 of the State Pension Credit Act 2002.

15. Calculation of income and capital where state pension credit is not payable

Where neither paragraph 13 (applicant in receipt of guarantee credit) nor 14 (calculation of income in savings credit only cases) applies in the applicant's case, his income and capital is to be calculated or estimated in accordance with paragraphs 16 to 25, 27 to 30 and chapter 3 (capital) of this Part.
