Your attention is drawn to the following notes:

Appeals to the Secretary of State

If you are aggrieved by the decision of the local planning authority to refuse permission for the proposed development, or to grant it subject to conditions, then you may appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990 within the following timescales:

Householder applications

If you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Full applications

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

Enforcement applications (land already the subject of an enforcement notice)

A planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

Enforcement applications (land which has an enforcement notice served)

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice whichever period expires earlier.

Appeals must be made using a form which you can get from the Secretary of State online at <https://www.gov.uk/planning-inspectorate> or by writing to Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (tel: 0303 444 5000).

The Secretary of State can allow a longer period for the giving of a notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order, and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK](#)

Purchase Notices

If either the local planning authority or the Secretary of State refuse permission to develop land or grants it subject to conditions, the owner may claim that the owner can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council. This notice will require the Council to purchase the owner's interest in the land in accordance with the provision of the Town and Country Planning Act 1990.
