

## IMPORTANT INFORMATION

Epsom & Ewell Health Walks are delivered within a social setting, aiming to increase the physical activity levels of our walkers. Therefore, walkers should always stay together, as one walking group.

### **30 Minute Walks**

Suitable for those who are new to physical activity or who have not been active for a while and wish to increase their fitness levels gradually. Walks are not suitable for wheelchair users.

### **1 Hour Walks**

Suitable for those with an intermediate level of fitness who are able to walk at a moderate/brisk pace for approximately 2-3 miles continuously.

- New walkers should arrive 10-15 minutes before the start time to complete a short health screening questionnaire and to register
- Routes can be a mix of hard paving and soft ground and may, on occasions, include a slight gradient or stiles, particularly on the one hour walks
- Please wear suitably comfortable shoes/trainers. Try to wear several thin layers of clothing rather than one heavy item. Ensure you bring adequate clothing and weather protection, ie waterproofs, sun cream, hat, scarf and gloves etc
- Be sure to have a small bottle of water with you to drink
- Cancellation of walks: Epsom & Ewell Health Walks reserve the right to cancel walks at their own discretion due to adverse weather conditions, health and safety issues or unforeseen circumstances. We aim to give notice of any cancelled walks through website: [www.epsomandewellhealthwalks.org.uk](http://www.epsomandewellhealthwalks.org.uk)
