# PLAY FOR TEAM EPSOM & EWELL

"I love the Specsavers Surrey Youth Games because it's a great way to make new friends whilst trying new sports."  
Hope, aged 10

## 23-24 June 2018

The Specsavers Surrey Youth Games is the largest multi-sports competition for young people in Surrey.

Young people aged 7-16 can take part in a range of sports and improve their skills whilst receiving free coaching! Teams will then be selected in each of the sports with selected participants given the chance to represent Team Epsom & Ewell and take on the 10 other boroughs and districts in Surrey.

The training sessions are led by local sports clubs. Each club offers participants a chance to play their chosen sport after the Games have finished. Training sessions will take place from April. The Specsavers Surrey Youth Games finals will take place on 23-24 June.

*To be eligible to represent Team Epsom & Ewell participants must live or go to school in the borough and be of sub-county standard in their chosen sport. Please note that each sport has its own specific eligibility requirements.*
